

UH Hilo College of Pharmacy Academic Calendar 2011-2012

The College of Pharmacy Academic Calendar operates on a two semester schedule which differs from the UH – Hilo Academic Calendar. CoP Fall Semester runs July 1 – December 31, 2011 (UH Hilo Fall Semester runs August 22 – December 16, 2011). CoP Spring Semester runs January 1 – June 30, 2012 (UH Hilo Spring Semester runs January 9 – May 11, 2012). The didactic portion of the CoP curriculum mirrors the UHH Academic Calendar. However, depending on the class level of the student, the Pharmacy Practice Experiential portion of the CoP Curriculum may fall outside these traditional dates. First Year Pharmacy Students (P1s) will have their hospital rotation either during the UH Hilo Fall or Spring semester and the retail rotation will be completed from July 23rd through August 17, 2012. Second Year Pharmacy Students (P2s) will have P2 IPPE during the P2 school year and have their P3 IPPE rotations in May, June or August following their second year of classes. Upon completion of the third year, (P4s) students will begin APPE rotations immediately after the didactic session in May. ****Dates are subject to change.**

Please Note: Students who experience academic difficulty will be invited to meet with the Student Promotion & Graduation Committee (SPGC) to discuss their case. Students should be informed that failure to appear before the committee could have consequences regarding their academic future. This Committee meets after the end of each didactic semester during the break to review the academic progress and performance of students in relation to institutional academic policies. Please review the student handbook for more information on academic standing and the SPGC. Please contact Dr. Tan, Chair of SPGC, (gheetan@hawaii.edu) if you have specific questions on this process.
